

Licensed Practical Nurses **(up to Full-Time Hours available)**

York Care Centre is a leading organization in Atlantic Canada providing long-term care and lifestyle living options on a single campus nestled along a vibrant wetland ecosystem in Fredericton, New Brunswick. When it comes to aging care, we don't fit the traditional mold. We are constantly reinventing ourselves so that our residents and families have access to the best possible care, environment, and quality of life. And our sister company, the Centre for Innovation and Research in Aging (CIRA), partners with academics and innovators from across Canada to conduct research that advances aging solutions everywhere.

Our employees are equally important to us. That's why they have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, an annual scholarship program, a 'get inspired' social committee, and a collective budget to celebrate important milestones and networking events. It doesn't matter what your role, everyone contributes to make the work we do meaningful and enjoyable.

As an organization, we're committed in our efforts to meet the needs and enrich the lives of our residents through a thriving community of professionals dedicated to creating an environment of care and nurturing. And that is how you can assist as a Licensed Practical Nurse (or Graduate Practical Nurse). If you want to be a part of an interdisciplinary team, are a good communicator, want to work collaboratively, are willing to take charge of work activities while completing tasks in a timely and flexible manner, can provide quality resident focused care, and have a positive and professional style - then we want you on our team!
