

PERSONAL SUPPORT WORKER / RESIDENT ATTENDANT

York Care Centre is a leading organization in Atlantic Canada providing long-term care and lifestyle living options on a single campus nestled along a vibrant wetland ecosystem in Fredericton, New Brunswick. When it comes to aging care, we don't fit the traditional mold. We are constantly reinventing ourselves so that our residents and families have access to the best possible care, environment, and quality of life. And our sister company, the Centre for Innovation and Research in Aging (CIRA), partners with academics and innovators from across Canada to conduct research that advances aging solutions everywhere.

Our employees are equally important to us. That's why they have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, an annual scholarship program, a 'get inspired' social committee, and a collective budget to celebrate important milestones and networking events. It doesn't matter what your role, everyone contributes to make the work we do meaningful and enjoyable.

As an organization, we're committed in our efforts to meet the needs and enrich the lives of our residents through a thriving community of professionals dedicated to creating an environment of care and nurturing. And that is how you can assist as a Resident Attendant.

As a Resident Attendant within the Care Services team, you will make a difference in the lives of our residents each and every day. As the ideal candidate, you will have obtained your Personal Support Worker diploma, are enthusiastic to provide assistance in activities of daily living, and are committed to provide quality resident care. You are a good communicator, can evaluate and maintain resident safety needs, have a positive and professional style, values a team approach, and you're able to complete tasks in a timely and flexible manner - then we want you on our team!

Please forward your resume in confidence to:

Human Resources
York Care Centre
100 Sunset Drive
Fredericton, NB E3A 1A3
