

Presents the 10th Annual
Golf Fore Care
Charity Golf Tournament

Dear Friend,

On **Thursday, June 10, 2021**, we will be hosting our 10th annual *Golf Fore Care* charity tournament at the beautiful **Fredericton Golf Club**. This fabulous event will include a scramble format with 100+ golfers, a dinner, player gifts, raffle prizes - and much, much more!

This is a fun-filled event where local businesses and caring individuals come together to help enhance quality of life for the 218 residents of York Care Centre.

Because you're a golfer, it makes sense for many of our prizes to be golf related, so stay tuned for future updates about our exciting top prize packages.

Our goal this year is to **raise \$30,000**, with all net proceeds directed to York Care Foundation for new activities, programs, and capital equipment, not typically funded by government.

As a Foundation, with the ongoing support of people like you, we have historically seen fund-raising success that has led to some key York Care Centre initiatives, such as: The Memory Lane Campaign; The Adult Day Program; A Dental Suite and Chapel; and funding resident programs like the Music Program, Cuddle Therapy, and Memory Narrative.

Your involvement, support and donations will have a positive impact on the residents of York Care Centre. As a registered charity (#890820806RR001) most donations are tax deductible. And, as always, we like to provide you with plenty of options to support this event:

Registration / Sponsorship Options	Inclusions
General Registration (\$175 / player)	<ul style="list-style-type: none"> • 18-holes of golf + cart + dinner • \$75 tax receipt

Gift In-Kind Donor	<ul style="list-style-type: none"> • Acknowledgement on golf day • Tax receipt (based on the amount donated)

I also want to share with you a bit of background on York Care Centre, serving the greater Fredericton area since 1966. As New Brunswick's largest long-term care organization, the Centre has grown to 218 long-term care beds, 31 assisted living units, 72 independent living units, and a 15-seat adult day program, all on a single campus.

More recently, YCC launched its own research company with a focus on aging (Centre for Innovation and Research in Aging / CIRA). A not-for-profit sister company to YCC, there has been much success in acquiring and undertaken research projects both at YCC as well as with partnering long-term care facilities and in the broader community. Currently this is the only aging research company operated by a long-term care facility in Atlantic Canada. CIRA is funded entirely through provincial or federal research grants.

The work we do at YCC and CIRA is about making things better for older adults. Of course, the priority is always the 218-residents at YCC, but much of the work benefits older adults everywhere. For example, the success of a single research project related to dementia can be replicated anywhere in the Canada and the US, improving the lives of many.

Serving our 218-residents and their families, and always raising the bar, is why YCC has the vision of becoming a true *Centre of Excellence*.

As you will appreciate, government provides YCC with annual funding to provide care, with the lion's share going direct to staffing costs. That's why we rely on caring people like you, so that we can invest in our residents by introducing programs, services, or capital upgrades, that are not within our normal funding envelope.

As always, I want to tell you in advance how much we appreciate your support. We would be honoured if you could join us again this year by registering either as a corporate sponsor, as a team, or individually, for a beautiful day of golf as outlined in the registration / sponsorship options.

To facilitate registration, attached to this letter you will find two forms. The first form is for corporate sponsorship and the other is for general / team registration.

See you on the links!

Sincerely,

Hector Losier
 Chair, Board of Directors
