

CLINICAL ASSESSMENT & INFORMATICS SPECIALIST

(Part-Time Position)

York Care Centre is a leading organization in Atlantic Canada providing long-term care, research, and lifestyle living options on a single campus nestled along a vibrant wetland ecosystem in Fredericton, New Brunswick. When it comes to aging care, we do not fit the traditional mold. Constantly reinventing ourselves, we work closely as a team to seek out and implement innovations that lead to making York Care Centre an excellent place to live, visit, and work.

ABOUT THE ROLE

The Clinical Assessment & Informatics Specialist is a member of the care services team and the team expert as it pertains to the interRAI (Resident Assessment Instrument), both as practitioner and mentor. To learn more about interRAI, please visit: [interRAI Implementation Toolkit | CIHI](#).

The Specialist also supports creating new methods of storing and transmitting information, integrating data across various departments, and training other care staff on how to use the electronic / clinical programs utilized in the facility. Information collected will directly assist with individual care planning, flagging potential concerns, interdisciplinary approaches, and quality benchmarking that is reported locally, provincially, and nationally (via CIHI).

ABOUT YOU

You are a Registered Nurse with a minimum of 3 years progressive experience, preferably in a long-term care setting with a strong understanding of health informatics, data interpretation and visualization. You are likely proficient in Excel and comfortable with PowerPoint. Rounding out your candidacy is your confidence, ability to mentor others, attention to detail, organizational skills, and comfort with presenting to/working with small and medium-sized groups.

WHY CHOOSE US?

Our employees have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, leadership programs, a scholarship program, a 'get inspired' engagement committee with a budget to celebrate important milestones and networking events.

Interested in joining the Care Services team? Please forward your resume in confidence to:
