

## **Director, Aging Care & Lifestyle Living** (Full-Time Position)

York Care Centre is a leading organization in Atlantic Canada providing long-term care, research, and lifestyle living options on a single campus. When it comes to aging care, we do not fit the traditional mold. Constantly reinventing ourselves, we work closely as a team to seek out and implement innovations that lead to making York Care Centre an excellent place to live, visit, and work.

### **ABOUT THE ROLE**

The Director, Aging Care & Lifestyle Living is a member of the care services team whose role is to ensure the effective operations, management and provision of quality care services to the residents and resident families of York Care Centre. Additionally, they will provide overall management of our senior living options and provide clinical consultative services to the Centre for Innovation and Research in Aging (CIRA).

The Director provides leadership for all care services personnel, and operational leadership for the senior living option facilities. As well, they will identify, develop and provide oversight on implementation of strategies in areas requiring improvement.

### **ABOUT YOU**

You are a Registered Nurse, holding a current registration with NANB. You have a minimum of 5 years progressive nursing experience where leadership, administrative abilities and competencies as a practitioner of nursing have been demonstrated. You are confident in your MS office skills, style of communication, as well as multi-tasking and organizational skills. Rounding out your candidacy is your initiative, team work aptitude, flexibility and adaptability.

### **WHY CHOOSE US?**

Our employees have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, leadership programs, a scholarship program, a 'get inspired' engagement committee with a budget to celebrate important milestones and networking events.
