

Presents the 11th Annual

Dear Friend,

On Thursday, June 9th, 2022, we will be hosting our 11th annual *Golf Fore Care* charity tournament at the beautiful West Hills Golf Course. This fabulous event will include a scramble format with 100+ golfers, a dinner, player gifts, raffle prizes - and much, much more!

This is a fun-filled event where local businesses and caring individuals come together to help enhance the quality of life for the 218 residents of York Care Centre.

Because you're a golfer, it makes sense for many of our prizes to be golf related, so we're pleased to share with you this year's top prize packages:

- St. Andrews (Algonquin): golf package for four, with an overnight stay
- Saint John (Rockwood Park): golf package for four, with an overnight stay
- Hartland (Covered Bridge G&C): golf package for four, with an overnight stay

Our goal this year is to raise **\$30,000**, with all net proceeds directed to York Care Foundation for new activities, programs, and capital equipment, not typically funded by the government.

As a Foundation, with the ongoing support of people like you, we have historically seen fund-raising success that has led to some key York Care Centre initiatives, such as: The Memory Lane Campaign; A new adult day program; Building a new dental suite and chapel; and funding resident programs like the Music Program, Cuddle Therapy, and Memory Narrative.

I also want to share with you a bit of background on York Care Centre, serving the greater Fredericton area since 1966. As New Brunswick's largest long-term care organization, the Centre has grown to 218 long-term care beds, 31 assisted living units, 72 independent living units, and a 15-seat adult day program, all on a single campus.

More recently, YCC launched its own research company with a focus on aging (Centre for Innovation and Research in Aging / CIRA). A not-for-profit sister company to YCC, there has been much success in acquiring and undertaking research projects both at YCC as well as with partnering long-term care facilities and in the broader community. Currently, this is the only aging research company operated by a long-term care facility in Atlantic Canada. CIRA is funded entirely through provincial or federal research grants.

The work we do at YCC and CIRA is about making things better for older adults. Of course, the priority is always the 218-residents at YCC, but much of the work benefits older adults everywhere. For example, the success of a single research project related to dementia can be replicated anywhere in Canada and the US, improving the lives of many.

Serving our 218-residents and their families, and always raising the bar, is why YCC has the vision of becoming a true *Centre of Excellence*.

As you will appreciate, the government provides YCC with annual funding to provide care, with the lion's share going direct to staffing costs. That's why we rely on caring people like you so that we can invest in our residents by introducing programs, services, or capital upgrades, that are not within our normal funding envelope.

Your involvement, support and donations will have a positive impact on the residents of York Care Centre. As a registered charity (#890820806RR001), most donations are tax-deductible. And, as always, we like to provide you with plenty of options to support this event:

Registration / Sponsorship Options	Inclusions
General Registration (\$175/player)	<ul style="list-style-type: none"> • 18-holes of golf + cart + dinner • \$75 tax receipt
