

## Director Facility & Infrastructure Services

York Care Centre is a leading organization in Atlantic Canada providing long-term care, research and lifestyle living options on a single campus. When it comes to aging care, we don't fit the traditional mold. Constantly reinventing ourselves, we work closely as a team to seek out and implement innovations that lead to making York Care Centre an excellent place to live, visit and work.

### ABOUT THE ROLE

The Director Facility & Infrastructure Services provides leadership to the dietary, environmental and maintenance departments to deliver services resulting in improvements in work flows, optimum utilization of resources, and demonstrated improvements in resident and client outcomes. Negotiating contracts, overseeing their fulfillment and ensuring fiscal accountability is within this portfolio. An innovative mindset will lead to the development and implementation of operational, maintenance, preventative maintenance, energy management and security practices for our facilities. Our campus includes a 218 bed long-term nursing home, 31 assisted living studio apartments, 71 independent senior apartments, and a research department.

### ABOUT YOU

You will have obtained a Diploma in Building Engineering Technology and/or Certification in Facilities Management and/or equivalent background with three (3) to five (5) years experience. Experience managing information technology, food services, building maintenance and environmental services is a definite asset. You are confident in your abilities to manage all projects relating to infrastructure, while effectively managing the financial resources of the respective departments. You are familiar in conducting needs analysis leading to the development and execution of a facilities management program. You have a strong understanding of health and safety regulations and practices. Lastly, your leadership style promotes team motivation leading to a result orientated team.

### WHY CHOOSE US?

We value our employees which is why they have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, leadership programs, an annual scholarship program, and a 'get inspired' engagement social committee.
