

Manager Support Services

York Care Centre is a leading organization in Atlantic Canada providing long-term care, research and lifestyle living options on a single campus. When it comes to aging care, we don't fit the traditional mold. Constantly reinventing ourselves, we work closely as a team to seek out and implement innovations that lead to making York Care Centre an excellent place to live, visit and work.

ABOUT THE ROLE

The Manager Support Services effectively and efficiently leads the environmental and dietary services personnel to deliver housekeeping, laundry and dietary services within York Care Centre in accordance with corporate standards and government regulations. They deliver services that incorporate industry best practices resulting in improvements in work flows, optimum utilization of resources and improvements within resident outcomes. They maintain current knowledge of industry 'best practice', taking the lead to introduce new concepts to the organization.

ABOUT YOU

You will have obtained successful completion of a formalized Environmental Services Management and Food Services Manager's Program(s), have a high degree of self-motivation in service delivery and execution, and are experienced in convening and motivating teams. Your leadership, organizational skills and communication skills are your attributes. You have the ability to manage multiple / concurrent activities efficiently and diplomatically in a high-pressure, complex environment. Lastly your 3-5 years preferred experience enables you to promote team motivation leading to a result orientated team.

WHY CHOOSE US?

We value our employees which is why they have access to competitive wages, a free onsite fitness centre, free parking, ongoing wellness initiatives, leadership programs, an annual scholarship program, and a 'get inspired' engagement social committee.

If you are interested in joining our Team, please forward your resume in confidence to:
