

Rehabilitation Assistant Part Time (30 hrs/week)

York Care Centre is one of Atlantic Canada's leading long-term care and senior housing facilities, but that's not what makes us special. When it comes to aging care, we don't fit into the traditional mould. In fact, we are constantly reinventing ourselves so that our residents and families have access to the best possible care, physical environment, and quality of life.

Our employees are equally important to us. That's why they have access to a free onsite fitness centre, free parking, ongoing wellness initiatives, a 'get inspired' social committee, and a collective budget to celebrate important milestones and networking events.

We don't stop there. Our sister company, the Centre for Innovation and Research in Aging (CIRA), partners with academics and innovators from across Canada to conduct research that advances aging solutions everywhere.

It doesn't matter what your profession is, everyone contributes to make the work we do meaningful, and enjoyable.

As an organization, we're committed in our efforts to meet the needs and enrich the lives of our residents through a thriving community of professionals dedicated to creating an environment of care and nurturing. And that is how you can assist as a Rehabilitation Assistant. If you are qualified to provide rehabilitation services in support of resident's autonomy in collaboration with a team of health care providers, then we are interested in hearing from you. If you are good communicator, are willing to take charge of work activities while completing tasks in a timely and flexible manner, have a positive and professional style, can assess and identify the rehabilitation needs of our residents and assist in the development and implementation of treatment plans and have successfully completed the Occupational Therapy and Physiotherapy Assistant Program, then we want you on our team!

If you are interested in joining our Care Services department, please forward your resume in confidence to:

Human Resources
York Care Centre
100 Sunset Drive
Fredericton, NB E3A 1A3
humanresources@yorkcarecentre.ca

Please include '**Rehabilitation Assistant**' in the subject line of your email. We thank all candidates for their interest; however, only those selected for an interview will be contacted.
