

Therapeutic Recreation Activity Coordinator (Full-time)

ABOUT US

York Care Centre is a leading organization in Atlantic Canada providing senior lifestyle living in Fredericton, New Brunswick. Our senior lifestyle living options include; a 218-bed modern long-term care facility, an assisted living facility, and independent living senior apartments. We are constantly reinventing ourselves so that our residents and families have access to the best possible care, environment, and quality of life. And our sister company, the Centre for Innovation and Research in Aging (CIRA), partners with academics and innovators from across Canada to conduct research that advances aging solutions everywhere.

ABOUT THE ROLE

The primary purpose of the position is to plan, develop, organize, implement and validate Therapeutic Recreation programs designed to meet the social, cultural, recreational, physical, emotional and spiritual needs of the residents of York Care Centre. The incumbent is responsible to make decisions that provides for the effective planning, preparation, and execution of all aspects of the Therapeutic Recreation Program.

ABOUT YOU

You are an individual with a passion for providing services to seniors. You possess strong organizational and communication skills. You are creative, innovative, pay attention to detail, and can multi-task. Experience in program planning is an asset.

You have completed the Therapeutic Activity Professionals course and/or obtained a degree in Gerontology. Candidates must be physically able to perform assigned duties.

If you are interested in joining our Care Service team, please forward your resume in confidence to:
