WELLNESS & SUPPORT SPECIALIST

Nursing Home Without Walls

(Casual)

About the Role: The purpose of the position is to assist the Nursing Home Without Walls (NHWW) team, specifically in conducting intakes with new clients and assisting clients with navigation of services. This role also includes supporting programs designed to address social isolation and loneliness among clients and their caregivers, including providing in-home wellness visits. You will assist with bi-annual monitoring calls and documentation. The Wellness and Support Specialist will commit to meeting the individual needs of the clients who utilize NHWW for services using a client-centered care approach. This position is casual, and hours will fluctuate based on need.

About You: You are a graduate of a university or college program in health and well-being studies. Education or experience in gerontology or social work would be an asset. Third-or Fourth-year students enrolled in the field of gerontology or social work would be considered for this position. You have a good knowledge of aging and know of services and community resources for seniors.

You demonstrate respect and empathy for individuals, are task orientated, have multi-tasking abilities, are organized, pay attention to detail, understand the importance of confidentiality and have exceptional communication skills. You have excellent computer skills and are experienced with Microsoft Office and Canva. Lastly, candidates must provide a Criminal Record Check/Vulnerable Clearance, complete a Social Development Record Check, have current certification in Cardio-Pulmonary Resuscitation. A valid driver's license and reliable access to a vehicle are required, as the position involves travelling to clients' homes.
